PATRIOT RED BLEND

WINEMAKERS TASTING NOTE

Patriot Red is a varietal blend of Merlot, Cabernet Sauvignon, Zinfandel and Pinot Noir from three states: Oregon, Washington and California. Aromas of intense fruitiness lead into a soft, smooth palate with flavors of red berry jam. Its packaging features a red, white and blue American flag motif, which was suggested by longtime Winemaker and General Manager, Steve Anderson - a U.S. Army veteran himself who spent three years as an Explosive Ordnance Disposal technician.

ABOUT EOLA CARES

Eola Hills Wine Cellars' EOLA CARES philanthropic arm was launched in 2016 with the inaugural release of the Patriot Red Blend and a portion of proceeds was donated to 501c3 nonprofit veterans' and first-responder programs.

Each Fourth of July, our Oregon winery selects a new organization to support. Team River Runner will receive a portion of proceeds from our heritage winery's Patriot Red blend sales as part of our 2021-2022 campaign to help support its mission of creating an outlet for veterans and their families to find health, healing, community, purpose and new challenges with adventure and adaptive paddle sports and lifestyle based programs.
