## ABOUT

Eola Hills Wine Cellars has been locally owned and operated since the early 1980's. Located in the Eola-Amity Hills AVA of Oregon's Willamette Valley, EHWC owns over 325 acres of sustainably managed vineyards. Proud to offer a diverse range of consistently award-winning wines in addition to being one of Oregon's largest producers.

## THE LAND

Cold air from the Pacific Ocean rushes into the Willamette Valley through the Van Duzer corridor only to be met by the Eola Hills. The mild, maritime climate combined with the region's mineral-rich volcanic and sedimentary soils create ideal growing conditions for pinot noir and cool-climate white varietals.

Vineyards are dry-farmed and sustainably managed; each vine hand-tended for good health. OWNED: Legacy Estate (72 acres), Oak Grove (64 acres), Wolf Hill (43.42 acres), Block 99 (21.87 acres), Winery Block (.42 acre) LEASED: Newton (33.25 acres)
